Job specification

Job title: Assistant Ranger for Community Woodland Project

Office base: Rowley's Drive, Shotton, Flintshire

Duration: 12-month fixed term contract

Salary: £13 per hour

Hours: 21 hours a week worked flexibly and to include evenings and weekends as required

Reporting to: Community Engagement Officer

Your job

The purpose of this role:

To support the creation of the 'Place for You Community Woodland' in Dee Park

You will work as part of a team working closely to support our Community Ranger and Community Outreach Officer. You will receive specialist training, including a suite of online and face to face accredited training to aid you in your role and progression.

Duties will include:

- Assisting with ground preparation for tree planting.
- Assisting with school and community tree planting events.
- Assisting with volunteer work parties.
- Assisting with thinning and coppicing in the mature woodland.
- Assisting with scrub clearance.
- Patrolling Dee Park on a regular basis, removing any litter and informally talking with park users and explaining about the work that is taking place.
- Assisting with survey work.
- Maintenance of the site and new planting through spring and summer.
- Assisting with the running of a large-scale celebration event at the end of the project.

Qualifications and training

- Educated to NVQ Level 3 in a relevant discipline, or equivalent experience is desirable or be willing to learn relevant skills in the workplace.
- A passion for working in nature is essential.
- A driving licence is desirable but not essential.

Skills required

- Good practical ability and accustomed to outdoor working.
- An interest in and knowledge of woodland and the natural environment.
- A good team player able to work as an effective part of a small team.
- Good interpersonal skills with an ability to communicate easily with all ages and abilities.
- Flexibility and adaptability.
- Basic IT Literacy is desirable.

To apply please send your CV and covering letter explaining what you can bring to the job role to jo.nicol@careandrepairnew.co.uk by 12 noon on Tuesday 13th February 2024.

The project is funded by:

The Woodland Investment Grant (TWIG) scheme. It is being delivered by The National Lottery Heritage Fund in partnership with the Welsh Government

Parc Adfer Community Benefit Fund
